Based on the input from our community members, there is a strong desire to maintain and enhance arts and crafts instruction opportunities for our students. To meet this, we will need to offer arts and crafts instruction through a push-in model for each class from TK to 8th grade. By incorporating these arts lessons into our curriculum, we aim to enrich our students' educational experience and foster their artistic development. Additionally, we will present arts & crafts fairs twice annually that showcase both talents. These initiatives will begin in the 2024-25 Fiscal Year.
